### *About the Weekend*

The weekend is designed to suit all age groups and the programme will provide plenty of opportunity for developing friendships, making new friends, relaxing and having fun as well as some (optional) sessions with our guest speaker, Mr Nick Klein who is currently the chief executive of the Northern Inter Schools Christian Unions (NISCU) and a very experienced Bible teacher/preacher. During the adult sessions there will be activities for children and there will be plenty of free time to enjoy the hotel amenities and the surrounding area. The weekend will begin with dinner on Friday evening and finish after lunch on Sunday. Transport can be arranged if required.

### *About the Hotel*

The hotel is situated near the beach and opposite a large park. It is tastefully decorated throughout, with the benefit of a ramp at the entrance to reception and all amenities easily accessible. Facilities include - sun lounges for everyone's comfort, where you can enjoy a pot of tea or just sit and watch the world go by, function rooms, reading and television lounge, a licensed restaurant and bar and a large air-conditioned ballroom. There is a lift to all floors but due to the age of the building, stairs to some rooms are unavoidable. The facilities include an indoor heated swimming pool, steam room and spa (children under 16 in the pool area must be supervised by an adult at all times). There is a range of single, double, twin and family rooms and all of the 54 bedrooms are attractively decorated, furnished with en-suite facilities and include colour televisions, radio alarms, complementary tea trays, hairdryers and direct dial telephones. Car parking is available free of charge at the front of the hotel as well as on the roadside. St. Anne's has fine selection of shops which are only a short walk from the hotel. The attractions of Blackpool are only a few minutes by car or there is a very regular bus service.
